

XXII Olinca Model United Nations 2025

Welcome Letter

Fellow delegates,

It is a pleasure to welcome you all to the 22nd edition of the Olinca Model United Nations Conference. I am proud to announce that OlinMUN is beginning its preparations in welcoming and delivering a joyful and rich experience to every delegate participating in this year's edition.

OlinMUN is a great opportunity to learn about global issues happening nowadays, in addition to the development of soft skills such as critical thinking, open-mindedness, dialogue, the creation of original and effective solutions, public presentations and negotiation. As a former delegate, staff member and currently, Secretary General, I am grateful for the personal growth that this event year after year has given me, helping me to be a better global citizen in a world that is facing several changes and crises. I hope this model can be a remarkable experience to not only discuss about the future, but also to inspire future generations to make a change in global issues which have been affecting millions of people. Delegates it would be an honor to work with you and to hear innovative and fresh proposals.

This amazing event would not be possible without the help of all the staff members from 10th, 11th and 12th grade who are voluntarily spending their time to organize such event. Additionally, special thanks to the secretariat members, Emma Bravo Millares (Chief of Staff and Protocol), Leonardo Ángel Rodríguez Piña and Fernando Ruano García (Secretaries of Academic Affairs), who have helped lead this model with me actively.

Finally, special thanks to Daniela Sandoval Careaga who is leading us to make the best OlinMUN possible. We have a remarkable team, and I am sure that they will do an amazing work to provide the best experience for all.

I am looking forward to learning from all of you and to welcoming you promptly to OlinMUN 2025!

Kind regards,

Mateo Romero Rafal
Secretary General
